ART BY KARA
STORY BY LEE YUT HEE

'마왕일기'

In order
to become
a mighty demon
lord, how must
you carry
yourself?

Do you
remember?

Master Raenef?

하하

Have you
forgotten?

No. I must
"wreak
havoc,

terrorize,
torture and
terminate
terribly."

Terminate
terribly?

눈치~

Very good.

당당아
싱긋

So...

if you
haven't
forgotten...

That

바로 직

How could you
spare a knight
who came here to
DESTROY YOU?!

Is that
demon lord
being
cheerful
by an
underling?

와아

...then how do
you explain
THAT?!

Eek!

Terrorize,
torture and
terminate
terribly!

You understand
that "terminate"
means KILL
THEM, do you
not?

Wha... What did
he just say?!

히익

I know
that, but--

No buts! You
should have killed
that thing
immediately.
Demon lords do
not show mercy.

I'm
going to
die!!

GASP!

Uh... Um.

I know,
but...

Erutis is my
new page.

죽어

Nice!!
Good thinking,
moron.

You took a
knight as your
page? That's
preposterous.

히익

GASP

He scares me...

As you
wish, then.

What?
Really?

Yes. But I believe
it is time for a new phase
of your training.
Today you'll attempt the
"Death Drill" listed on
page 13 of chapter 13
in Section 1.3 of the
Attributes of a
Demon Lord text.

Death Drill?

DEATH
DRILL?
Chapter 13?
Oh, this is
not good.

Heh...

Her restraints
released as she
fell to the floor.

Hey! That's no way to
treat a young lady.

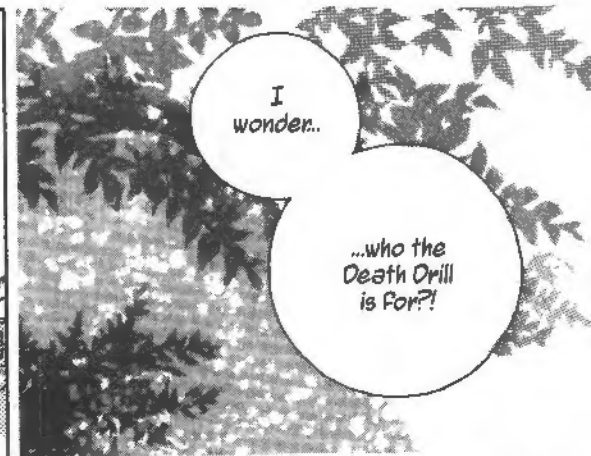

Jeess~
that was
some tight
knot. It
smarts!

Raenee.

Let's put
your toys
away for a
moment.

I
wonder...

...who the
Death Drill
is for?!

Stare?
Like this?

Just
Focus
your
mezraez.

Never mind.

Just as you did
with the Dark
Arrow, only
there is no
need to speak.

Then--

?

Kuruk!

Ew! We'll leave
it to your
imagination.

Master RaeneC...?

He doesn't look too...

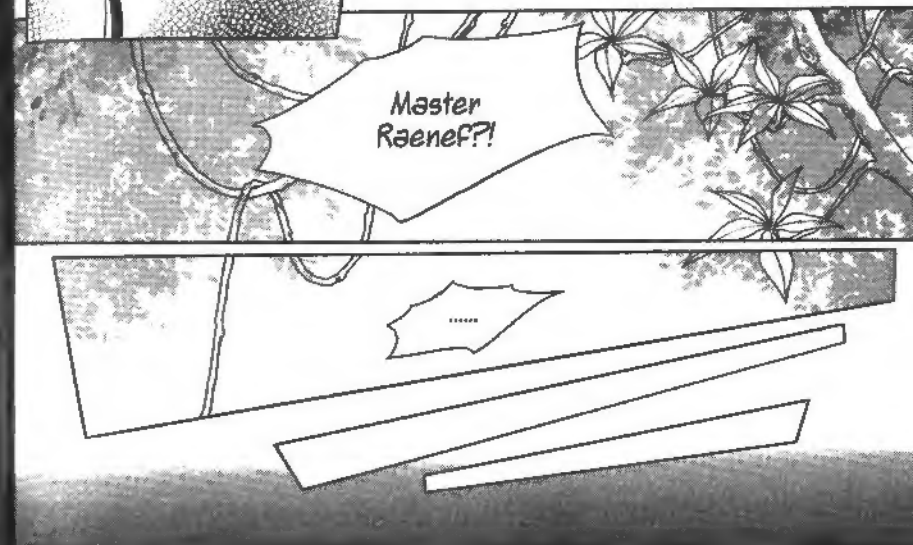

Master RaeneC!!

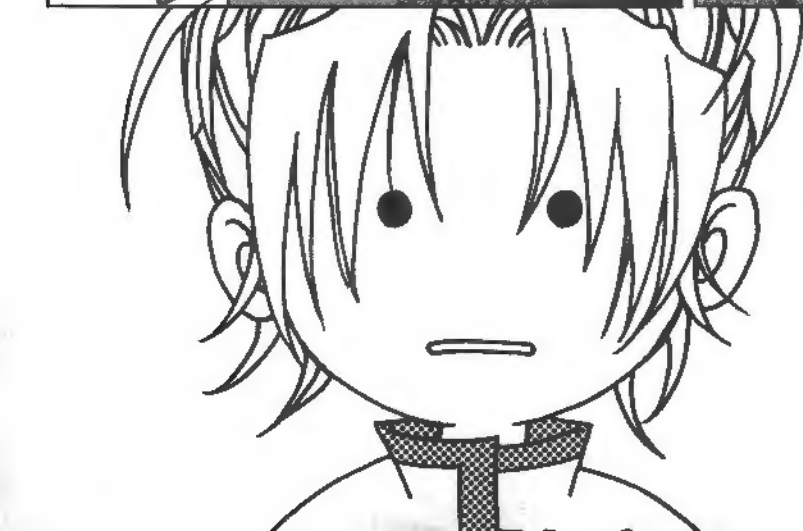

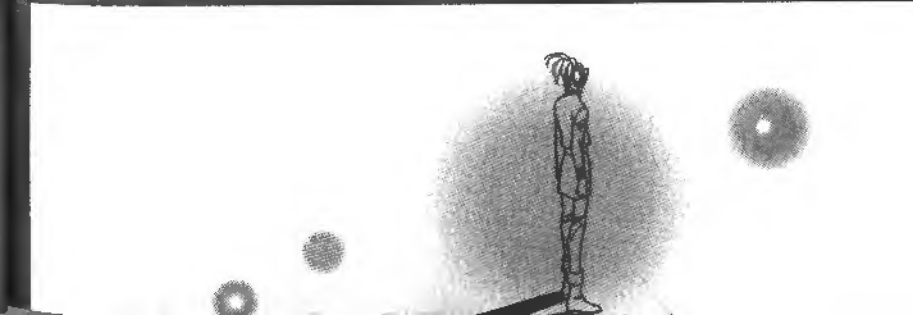

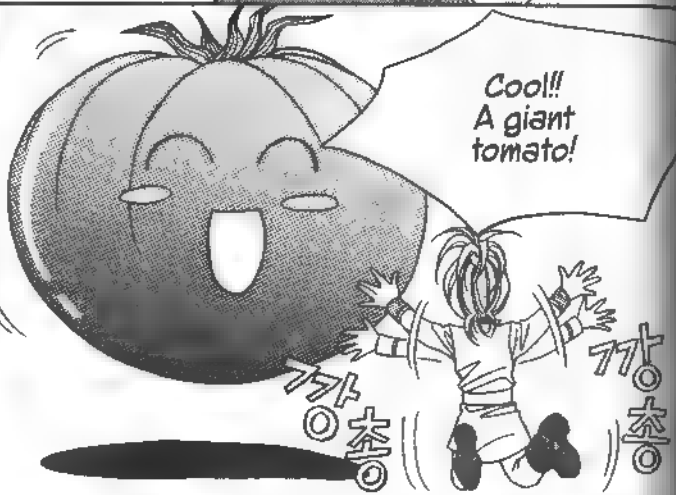

Simple. The key points of this magic are sending forth mezaez...

...and sending just enough so that you don't make a sticky mess.

Master RaeneC?!

Cool!!
A giant
tomato!

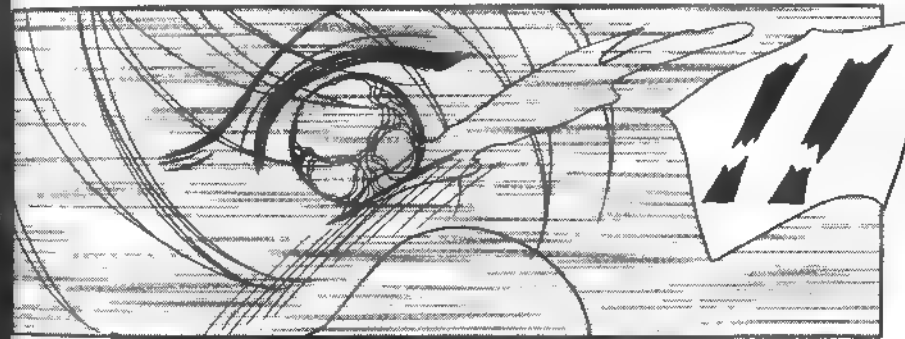

That sort of
thing...

...could be
taken care
of with just
one eye.

No--wait!!

No!!

TOMATO!!

Master Raena...

Are you all right?

The... tomato...

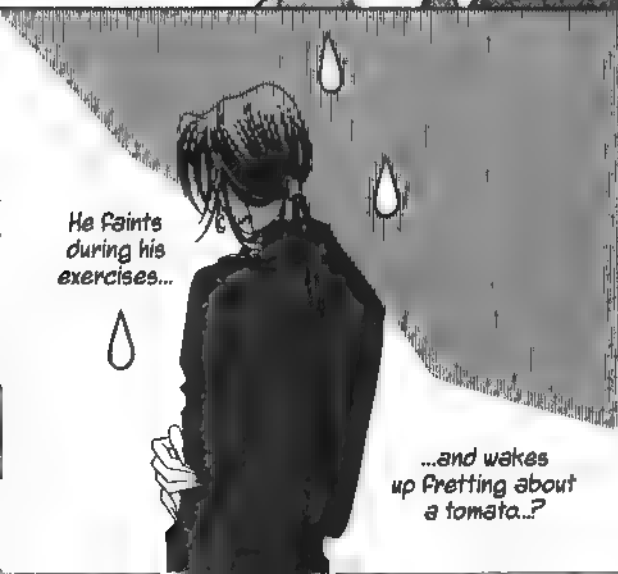

What?

Mr. Tomato...

Poor tomato...

I can't tell whether I'm
grooming a demon
lord or rearing a child.

...and wakes
up fretting about
a tomato...?

Oh...

...don't
flatter
yourself

I'll take these.

하

Be thankful.

GASP!

Sheesh.

A very embarrassed Eruts

I-I was just
messing with you!
You've bound me
with a spell.

I can't leave this
room and--
now you're taking
away my food?

Jerky demon.

Quirky
demon!

Take the
tomato
jeck!

You're alive, human.
Master RaeneF
chose to spare you.
I would have killed
you like all the rest.

Grumble,
grumble

If I only had my
sword, hotshot.
Just one
swing and...

Skreeee!

I know I shouldn't be afraid of the Crusaders, but I can't help it.

하~

아

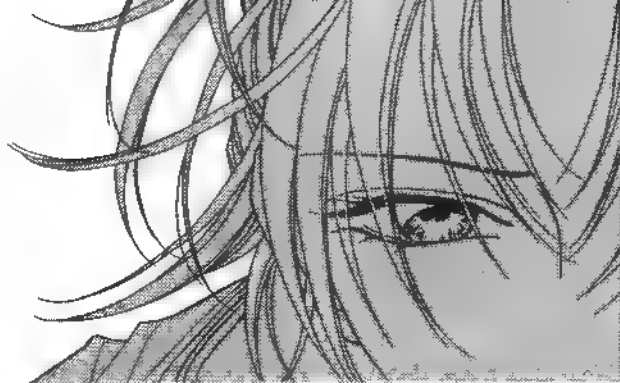

Ugh--
I can't do
it.

I keep
thinking
about
earlier
today.

Maybe I'm
not cut
out for
this.

Remember that
you were chosen
by the gods.

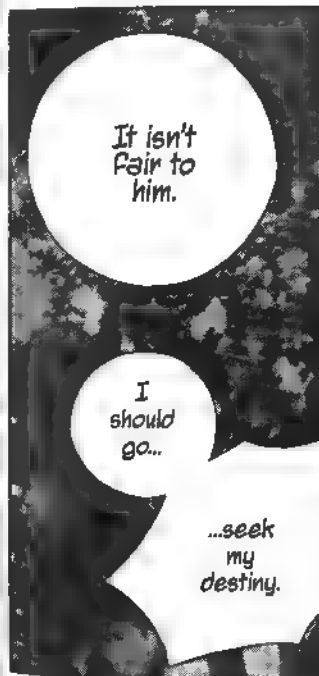

I can't
depend on
Eclipse
forever.

Have
patience,
young
demon
lord.

Soon...soon, you
will find your way.

It isn't
fair to
him.

I
should
go...

...seek
my
destiny.

Leave the castle and
return a true demon
lord!!

↑
Not a good
idea

My mind is
made up!!

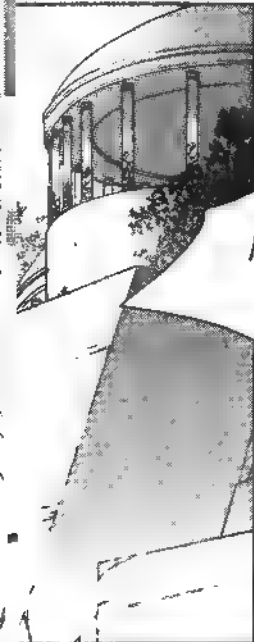

Er maybe I
should eat
before I go... I
think there were
some tomatoes
next to my bed.

I'll just t
ake them with
me. Okay, let
go!!

Eek!! He's burning!

Sheesh You're not going on a picnic, you know

Master RaeneF!!

You don't
have to yell--
he's not
here.

What do
you
mean?

Didn't you see
the note?

You can tell it's his
from the spelling.

I'll return
after I
becum
become a
mighty demon lord.

RaeneF

Master RaeneF

He just
wasn't cut
out to be
a demon
lord.

All for the
best, if you
ask me.

"You can't make
a silk purse out
of
a sow's ear as
they say.

You
should find a
new one...

What did
you say?

Where are you,
Master Raeneff?

The clerics of Rased
occupy the East.

What do you
think I said?

I said, "Let's put
our heads
together and
figure out where
he could have
gone!"

You...

would not have
gone that way.

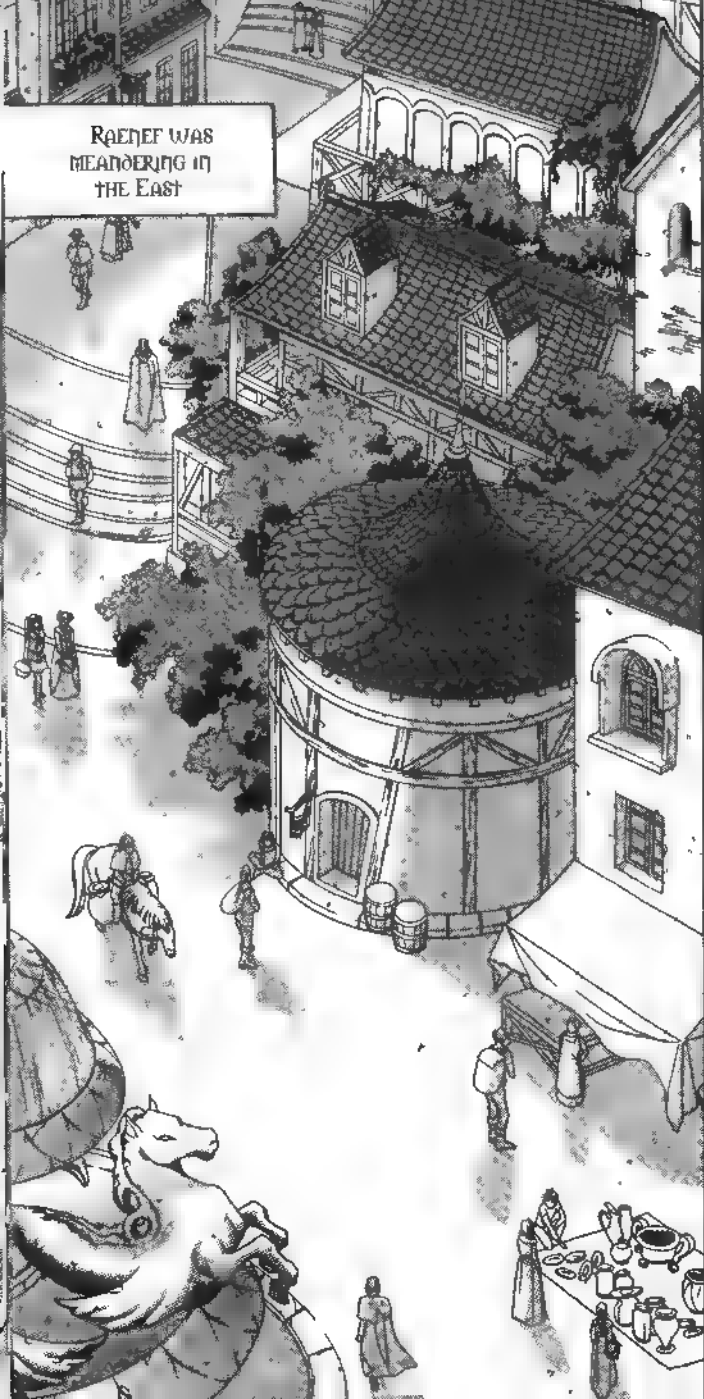

Very well.

To the West,
then.

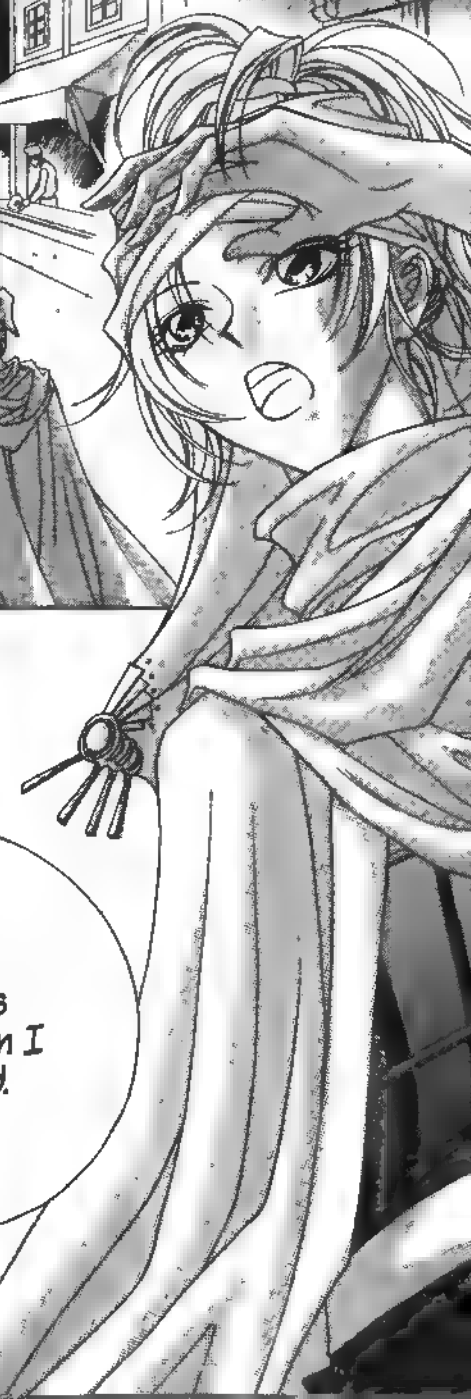

ALAS .

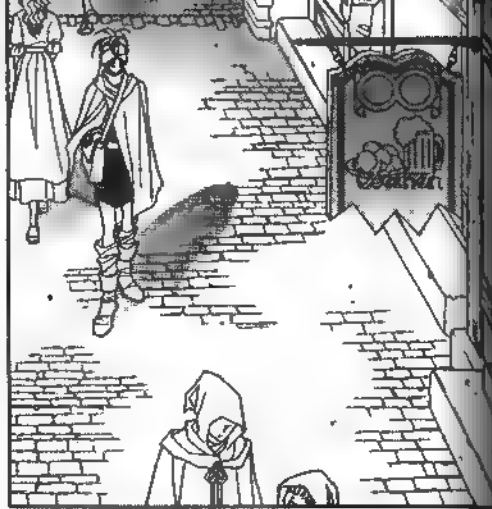

RAENEH WAS
MEANDERING IN
THE EAST

Wow...

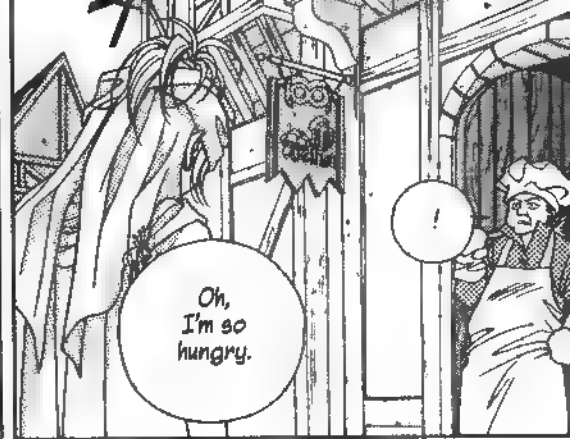

This city
market is
bigger than I
expected.

Oh, I should
have stayed
and let
Eclipse look
after me.

What was I
thinking?

Oh,
I'm so
hungry.

The smell of
dumplings is making
me hungry again...

And I've already
finished the
tomatoes.

Whoops!

I forgot to
bring any
money with
me.

Hey! Buy
something
or get out
of here!!

You're
scaring off
the other
customers---!!

휘이

휘이

Wait!
C'mere a
second,
kid.

Yes?

Lemme
see you...

Eureka!

That cloak
doesn't look like
much at first...

...but it's made
From silks
created by
demon magic!!

And those
tiny buttons
of ground
dragon
bones--
they're
red! The
rarest
kind!!

Yes!

This... This child is...

??

It's take my
ten years
as a
dumpling
man on it.

He's got to be a
prince from a
faraway land or
a runaway
nobleman's son!

SOMEBODY
SPECIAL!

Just one of
those buttons
and I could
retire forever!

My ship has
come in!!

You look hungry.
Come in and let
me make you
some dumplings.

But you
told me to
leave.

I was just kidding!
Come, eat!

No charge
for you.

Okay.
Thank you.

Wow, what an
unbelievably
nice man!

Scrap.

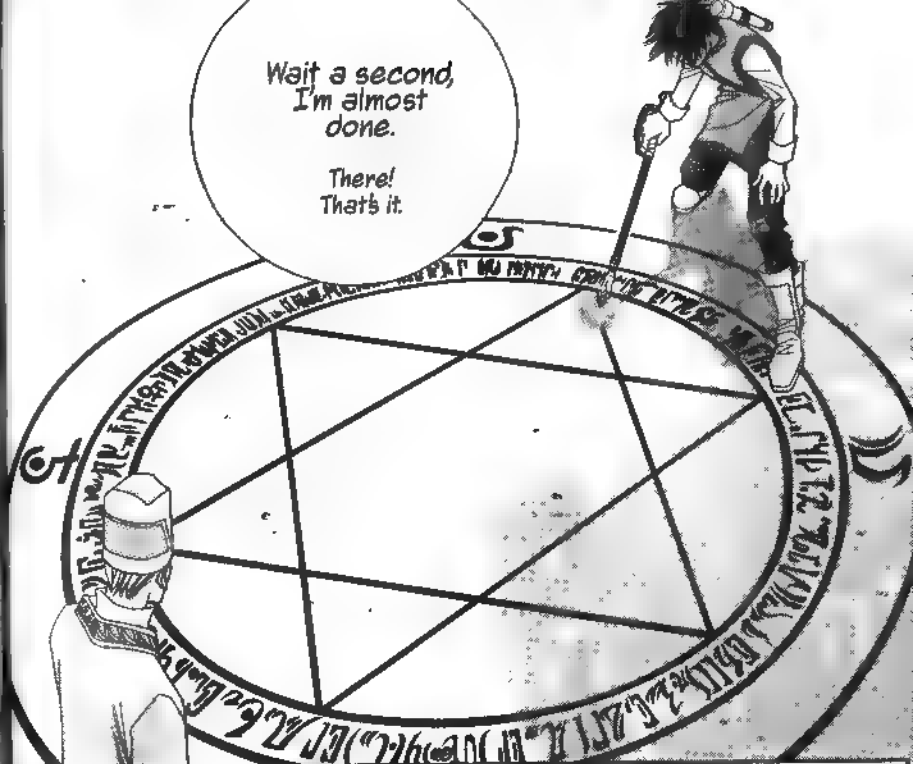

Exactly...

...what do
you think
you're
doing?

Wait a second,
I'm almost
done.

There!
That's it.

What have
you drawn?

A demon lord
summons!!

.....!!

Heh heh heh
heh heh heh!

Chris...

You do realize
who you are, and
where we are,
don't you?

You haven't
completely lost
your mind, then.

Your abilities
are in line with
that of a chief
cleric.

But as
for the
application
of your
abilities...

Um.
How can
I put this?

Of course,
Master.

We are the followers
of
the Lord God Rased,
and this place is the
highest of all Rased
shrines...

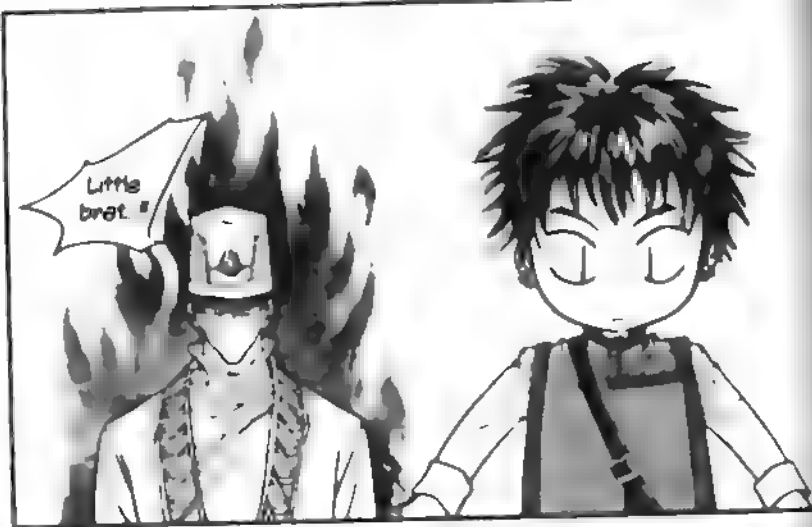

...and I'm
the next
chief
cleric.

What kind of
stupid idiot
demon lord
would fall for
your summons?!

I summon thee!!

Ignores

Master...

I think it's
working.

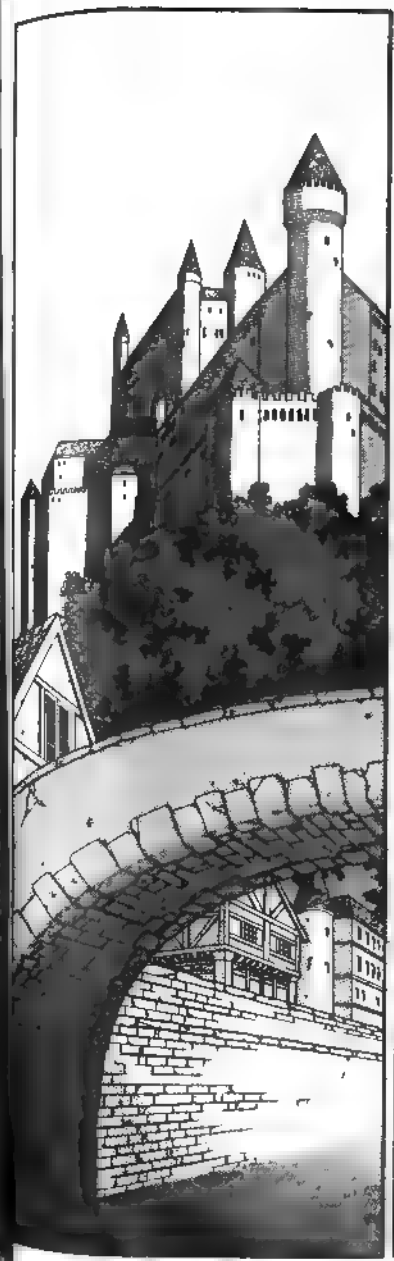

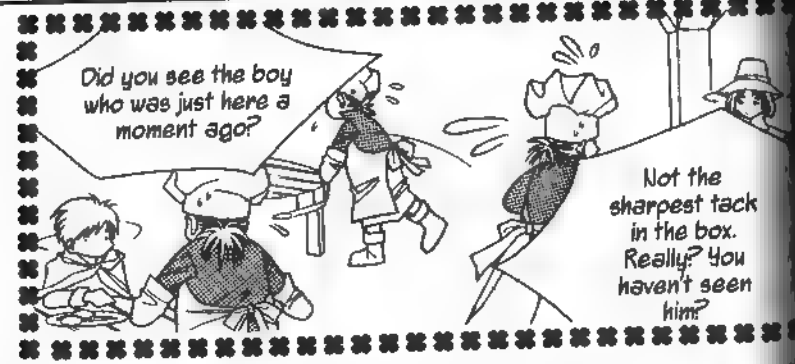

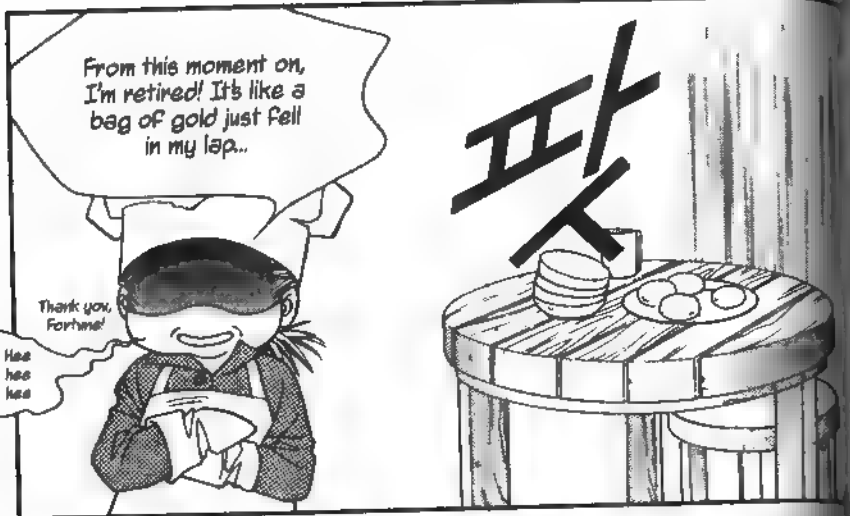

Boy,
I sure
lucked
out.

Huh?

What's
happening to
me?

Of all
the nerve!
He's looking
at blonds.
We've got...

...a twisted
demon on our
hands!

And he's so good-
looking. What a waste...

77!o/

Have you
found him?

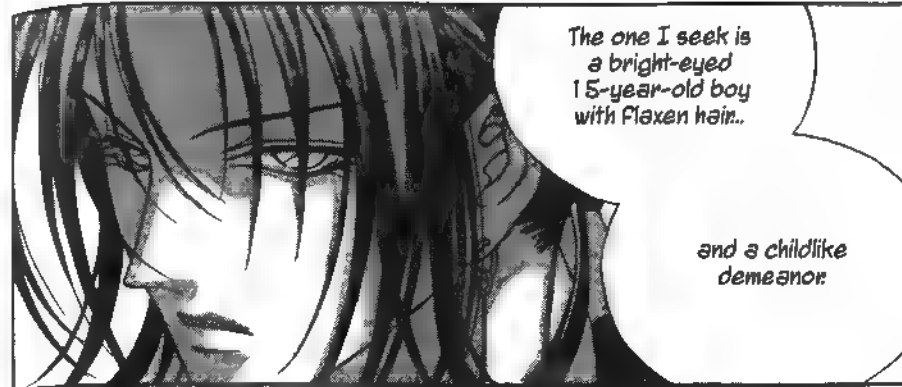

Uh...sir...

We've...uh...

We've rounded
up all blonde
boys under
the age of
15 in the land.

Heh!

Show
them in.

The one I seek is
a bright-eyed
15-year-old boy
with flaxen hair...

and a childlike
demeanor

See? This
one is just
as you
described!

What do
you mean
to my
taste?

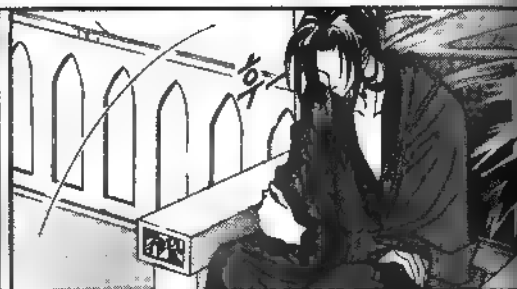

And
to my
liking?

Pl-please
forgive me...

Get out!

Yes,
sir

I hope that
nothing awful...?

I've searched all
throughout the Western
kingdoms, but I can't
locate Master Raenef

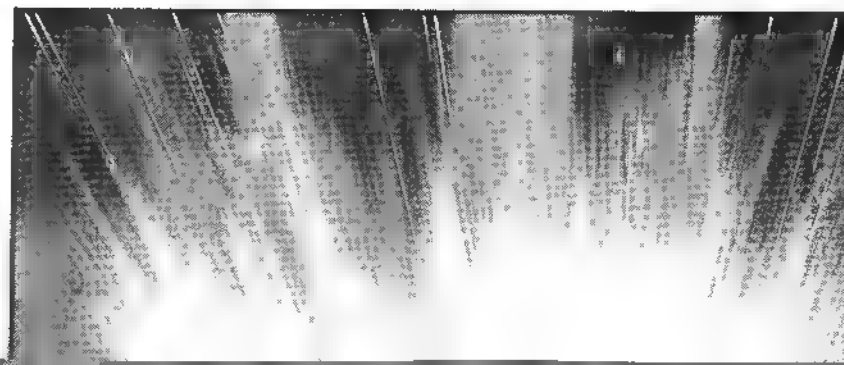

The demi-demons have
been making a
commotion of late.
Could they have
dragged him into their
world?

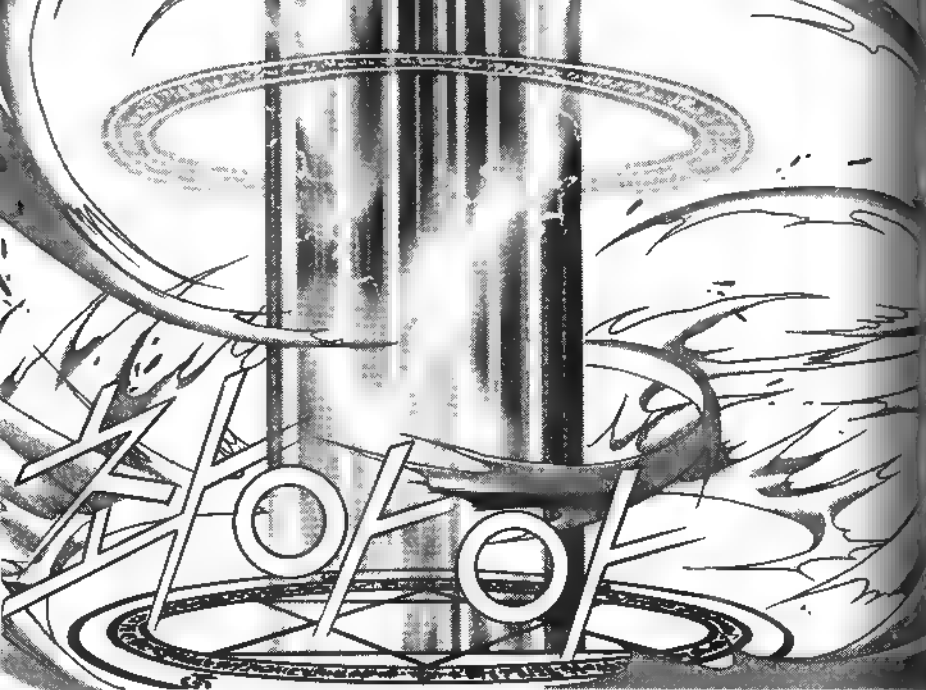

If they
did, they will
pay.

Possibility of Eclipse finding Raenef in the West=zero!

Master Raenef where
are you...?

He's here!!

Demon lord,
show yourself!

I will
destroy you!

I've just got to see
what idiotic demon
lord would be
suckered in by a
summons at the
highest temple of
Rased.

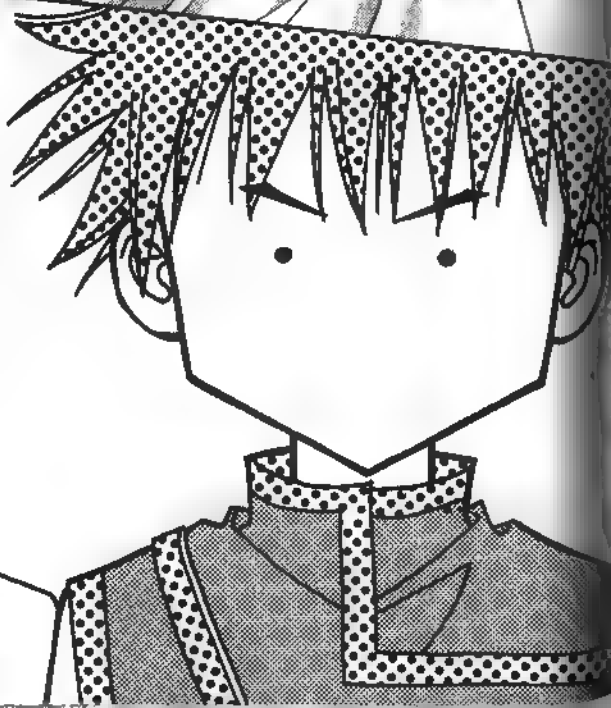

That's
if you're
successful...
although
it's highly
unlikely...

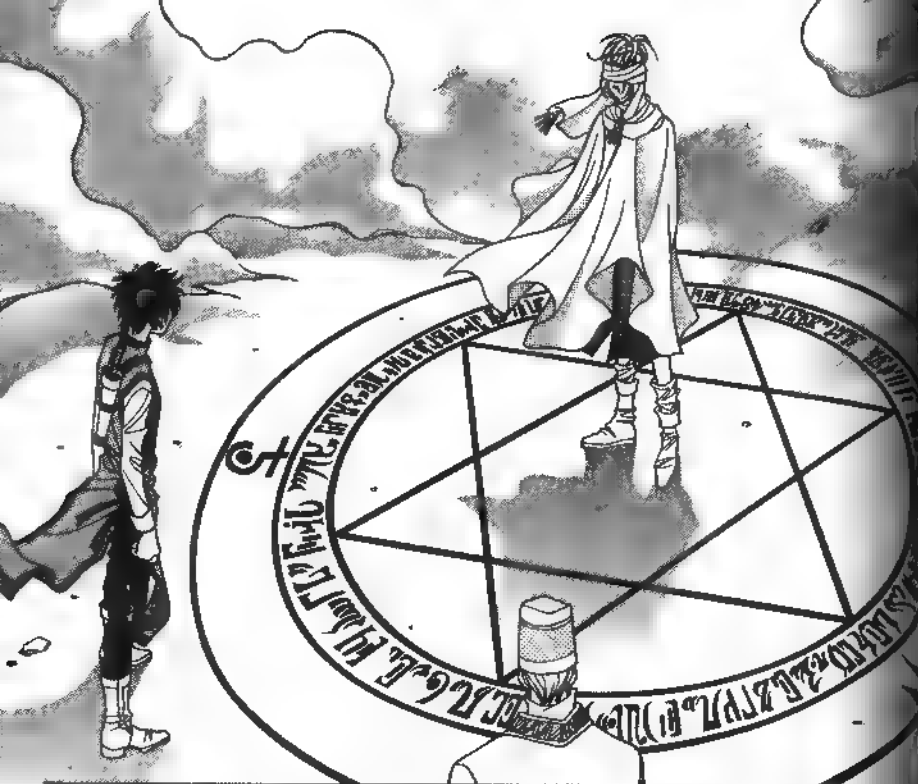

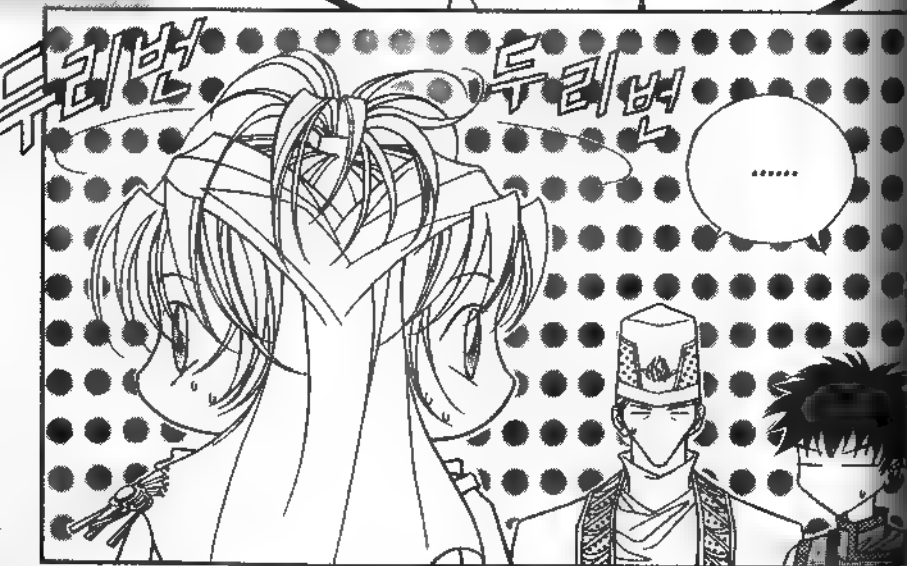

Huh?
Where
am I?

Have I...

been
kidnapped?

Where am I?
What is this?

No! This
can't be!!

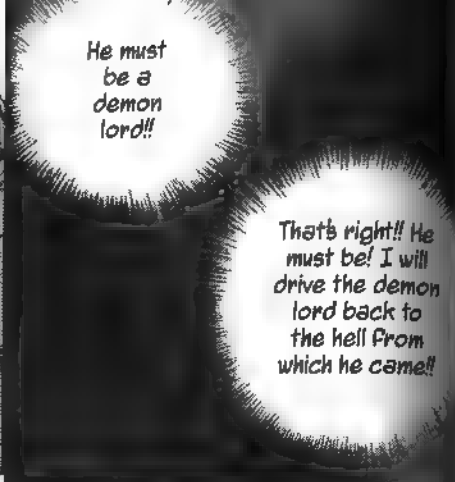

I summoned a
demon lord!!

And
instead I
got this
kid?!

There was absolutely nothing wrong with my summons!

Is he mad because I'm trespassing? It's not my fault!

He must be a demon lord!!

That's right!! He must be! I will drive the demon lord back to the hell from which he came!!

Chris, the Supreme Cleric Supergenius.

Has delusions of grandeur

It has such a lovely ring to it.

Child, where do you live?

Just ignore that fellow.

Me?

I'm not a child.

I'm a...

YOU!

You're a demon lord, aren't you?

That imbecile.

So--what is your name?

I--

Cursed old man!

Ignores

--am a demon lord!

Are you
now?

Yes, I am the
Great and Scary
Ancient Demon
Lord Raeneff

...in front
of that
idiot.

I am a
SUPER-
GENIUS.

He won't get
the joke, I
promise you.

You
shouldn't go
around telling
people you're
a demon
lord.

Especially
...

But what if I AM
a demon lord?

In 101 Ways To
Become A Mighty
Demon Lord, it
specifically states
that I should proudly
proclaim my demon
lord title.

Then, with a
maniacal
"bwahahaha"
laugh, I'm
supposed to
disappear
into thin air..

Look
here.

He-he
admitted it?!

천지대만

Congratulations, Chris.

ト/〇/

Because of you, that boy has lost his mind!!

Wha-what are you talking about?! Master!!

I'm positive he really is a demon lord!! And by the name of the god Rased, I, Chris, THE SUPERGENIUS, will destroy evil!!

The god Rased? The one with the insolent clan involved in the Hangma campaign?

Who are you calling insolent? Speak for yourself demon!

How dare you call the followers of the god Rased, who wants to eradicate all evil, insolent?!

I give up. Do as you please.

You...

I shall punish you...

...for insulting the divine power of Rased!!

Stop!!
Chris!!

That's--!

Holy Bolt!

!!

In the city,
there are
temples
dedicated to the
worship of
various gods.

People worship
these gods
because they are
the only gods who
confront demons.

Are they
powerful?

Holy Bolt?

Yes, it's a
magic that..

well, they say
it has the
power to
snatch a
demon's life
away.

By themselves, most
are not powerful.
However on occasion
there rises among
them one who is quite
powerful...

And if several join
together they can
become
dangerous.

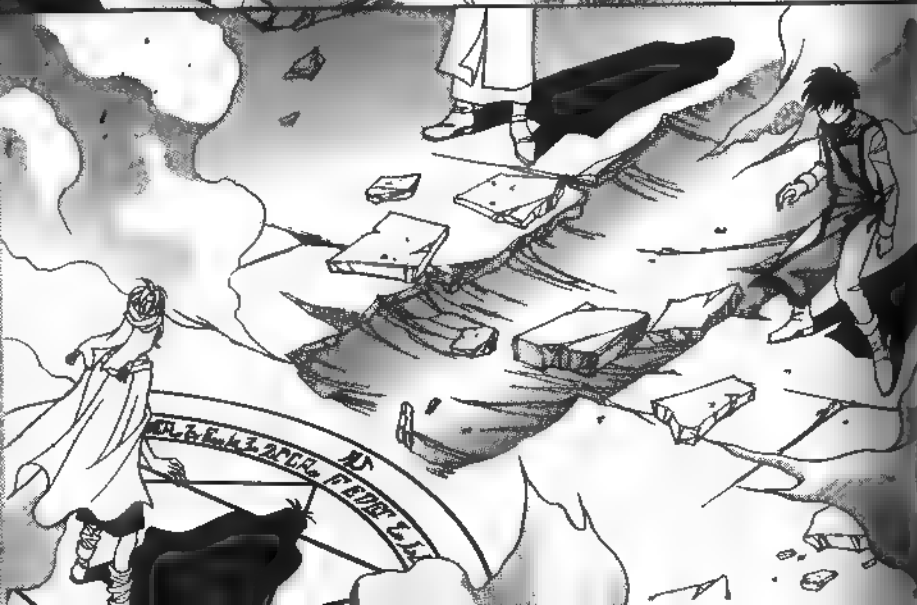

Hm.

Do you
understand? It
can end the
consciousness
of a demon lord.

Be especially
careful of the
high clerics' Holy
Bolt.

I don't know.

The Holy Bolt hit me, but I'm fine.

The Dark Arrow...

...is a dark, forbidden magic. How could that child...?

He doesn't seem fazed or exhausted...

Could it be true that he's...?

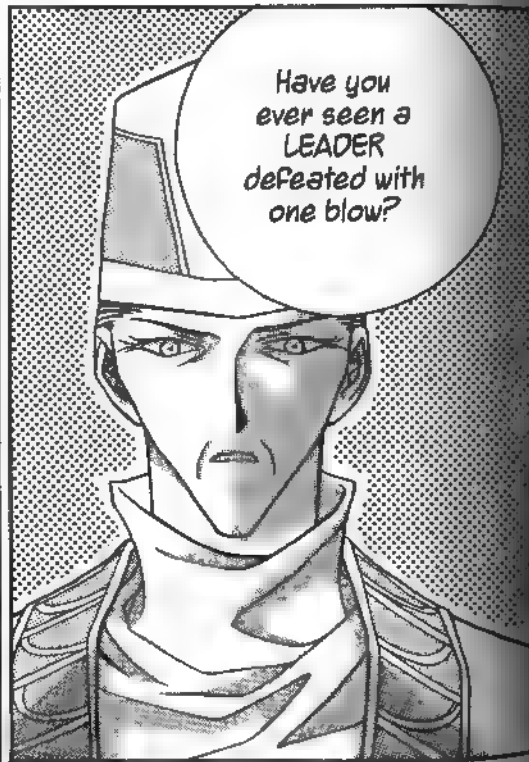

Impossible!!
How could you survive my Holy Bolt?!!

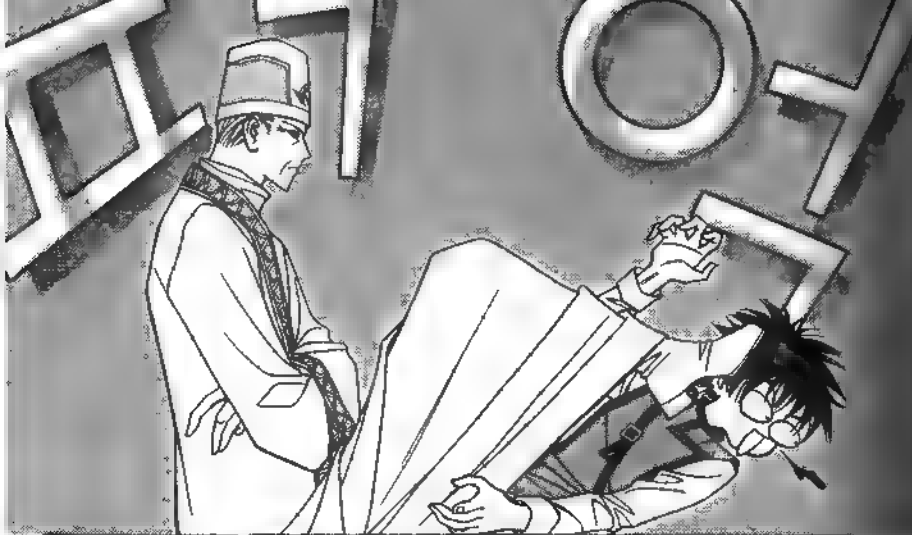

And...

...he did not need an incantation.

Unless maybe you really are a normal person...?

Whoops!

The HERO...

Huh?

...Is OVER THERE.

HE is the protagonist!

But in the previous segment, I had the biggest layout.

What happened?

Hee! I was a little bored, so I made him bigger.

By the power of holy Rased...

...Holy Bolt!!

Chris!!

Eeeehk!!

Ow, ow, ow!

If I get rid of the protagonist...

Huh?

What...

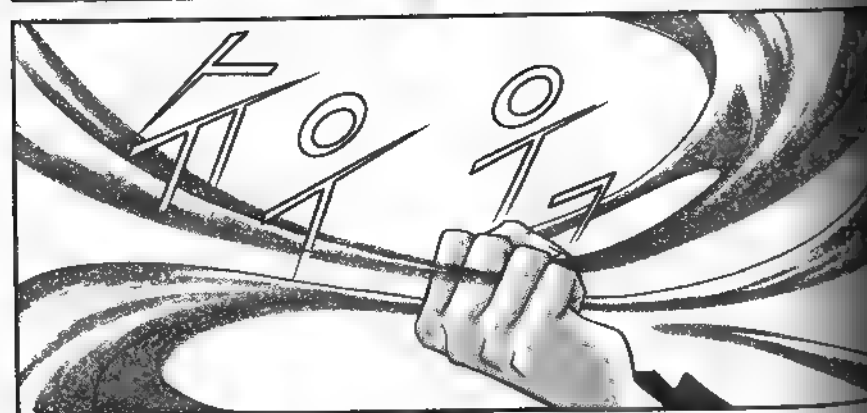

...is going on
here?

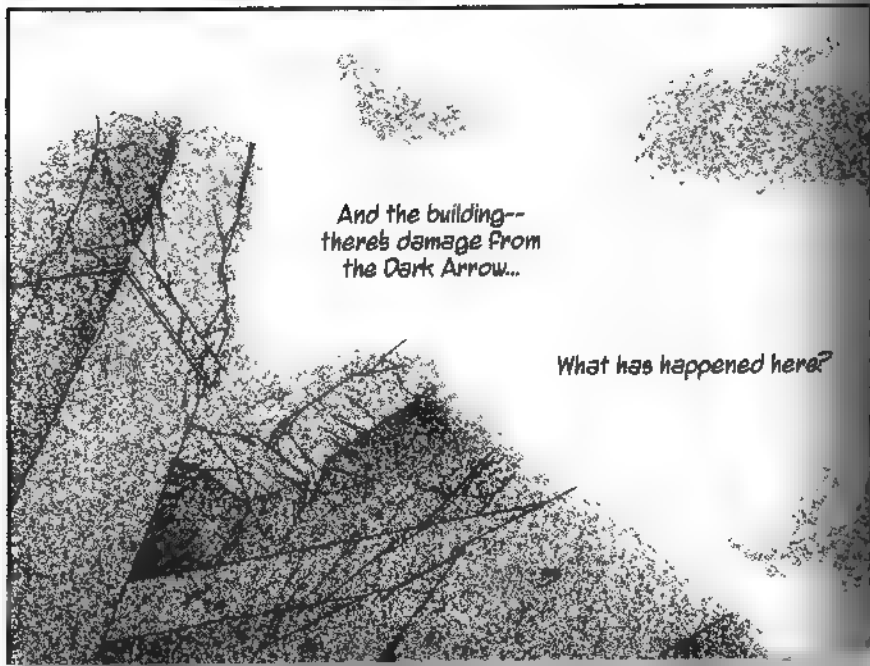

The Temple
of Rased!

Ardemon lord
summoning sign...

And the building--
there's damage from
the Dark Arrow...

What has happened here?

Eclipse!!

What are you
doing here,
Eclipse?

Master
Raene!

Did you think I
would not come
after you?

I would
rather you
just got
angry with
me.

Eclipse...?

The demon famous for
his cruelty during the
Hangma War...?

The raven hair,
sharp eyes...
Eclipse, demon of
the 3rd order.

Although...

Running away
from home!!
What were you
thinking?!

Eclipse!!

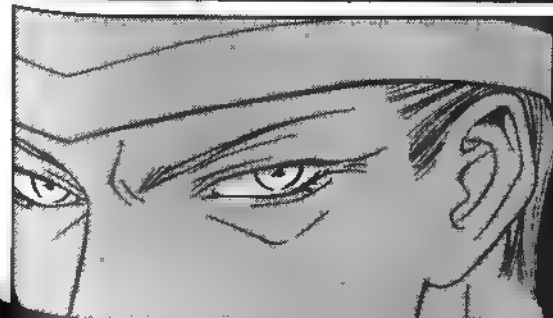

This is not
exactly how I
remember him.
How tragic.

Who are
you?!

How could
you block
my Holy
Bolt?

Master! Do you know
who that guy is?

How could he
just pop out of
nowhere and block
my Holy Bolt with
just one hand?!

Quiet.

He is not
someone
you should
trifle with.

That guy...! Is he
someone
so powerful only
the Master can
confront him?

What is
this?
Master
looks so
serious-!

He usually
doesn't pay
much attention
to my antics.

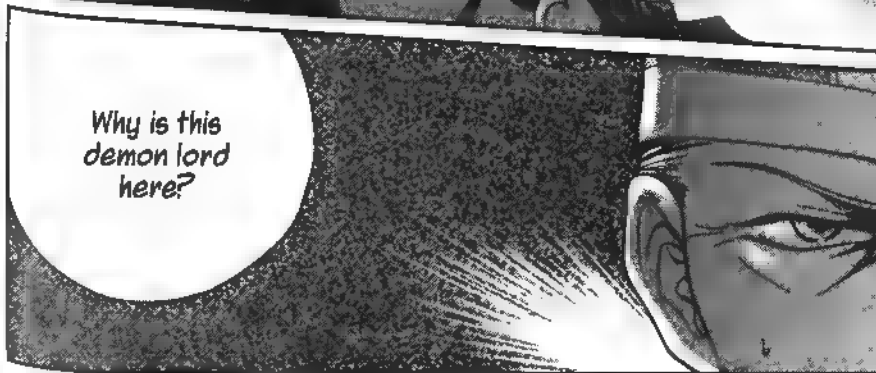

Why have
you broken the
covenant...

Ha!

Why
am I here? Tell
me...

Why is this
demon lord
here?

...and
entered our
domain?

The Dark Arrow...
a demon lord summons, and...

...the arrival of
the Eclipse.

That young
boy--could he
really be a
demon lord?

This...has become
very awkward.

There...

...the demon
lord summoning
sign...

It appears
you are the
instigators.

Eclipse looks
really mad!

I'm dead
meat.

That...

...would be the work of this feckless idiot.

However to be snared by an amateurish summons...

...would imply that your side has problems of its own.

Hey, that hurts.

Our side has not learned to repel that sort of magic as of yet, no...

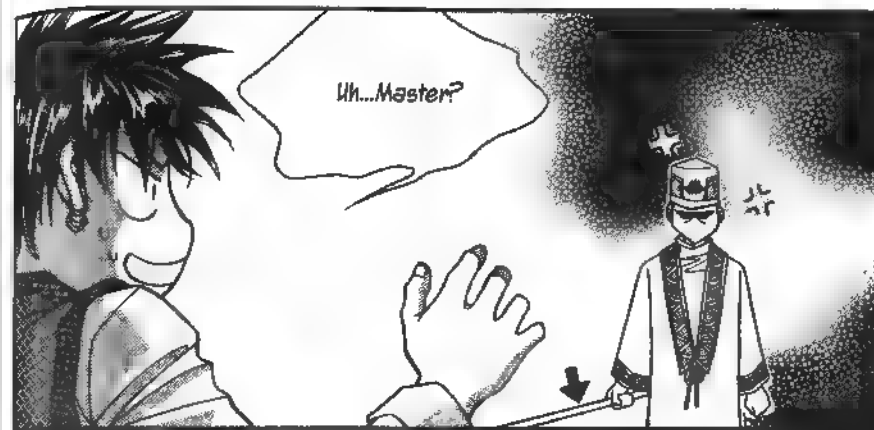

This idiot has created numerous headaches for our side, but...

...it appears your charge grieves you too.

타

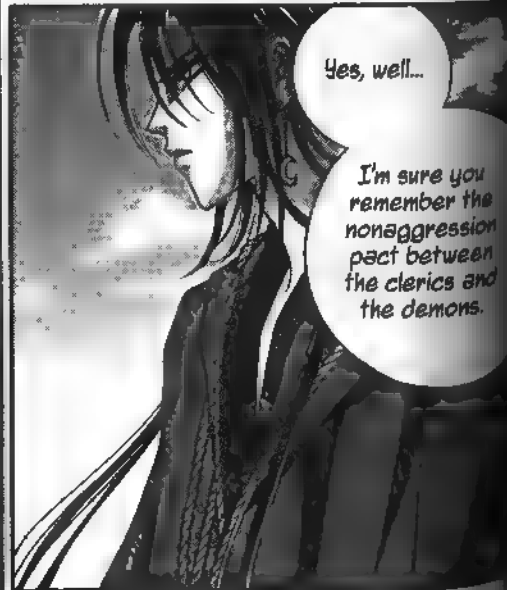

Due to the severity of the attack and out of respect for the reader, this scene has been omitted

Some time later .

I'm sure you
are well
aware that...

at this high rank,
even a minor
scuffle could
jeopardize
the treaty.

MORE THAN A CENTURY AGO,
BOTH DEMONS AND CLERICS
SACRIFICED THEIR LIVES IN
DECADES OF BATTLE CALLED
THE HANGMA WAR.

EVENTUALLY THE GOOS
FINDING THE BLOODSHED
UNBEARABLE, INTERVENED AND
DREW UP A COVENANT BETWEEN
THE CLERICS AND DEMONS.

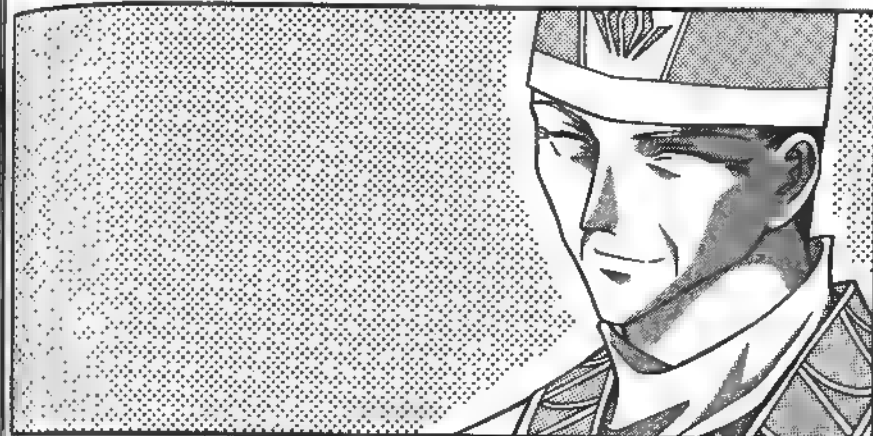

A NONAGGRESSION PACT
DECLARED THAT HIGH
RANKING CLERICS AND
DEMONS WOULD NOT ALLOW
SCUFFLES IN THE LOWER
RANKS TO ESCALATE.

Yes.

Of course,
it was our idiot
who initiated this
predicament..

...but I think it's
wise for you to
overlook our
transgression.

I believe it would
be to our mutual
advantage,
don't you?

Do you mean
to suggest we
act as if
nothing has
happened?

Shall we get
going then,
Master
Raener?

Huh?

But...I...

I...I said I'd return
when I'd proven
myself and...

...it's not like I've
become a great
demon lord yet...

I've been
worried, Little
Master.

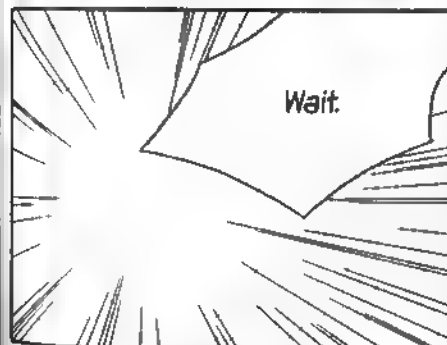

And whether you
are a great
demon lord or
not, Master
Raene, you are
our demon lord.

If a demon lord
is not in his
castle, who will
his subjects
serve?

I will await
your return.

Since the clerics began this mess, I think we should compensate you...

So...

SILENCE!!!

I offer up this thing.

What are you saying??

Are you giving me to the demons??

What?

Uh...

I am Chris, the next head honcho of the Temple of Rased!

You need me!!!

Chris.

I think it's time to teach you the great lesson of humility.

Huh?

Jeet--
my ears
are still
ringing.

It is true that
you have
superior
abilities, but...

...if you remain
within these
walls, you will
never develop
them.

Unless they're
willing to nullify the
treaty and return
to war they will not
kill you.

My best
wishes
for your
education.

...by going
with that
young boy.

But--?

So let us
change the
scenery...

Okay.

Then I
leave him
in your
charge.

What should I
do...? Eclipse will
be Furious.

Well...I already have
Erutis, and having one
more shouldn't...

Finally,
I've passed
him off to
someone else!

May you return
a mature man,
Chris.

MEANWHILE .

去れ
Go!

Master Raenaf
so cute... ♡

How shall I
greet him?
"Did you
have a nice
trip?" Or..

Master
Raenek..

Exactly...

...why do you have
that little
beggar??

Do you think this is a
zoo? What are we
going to do with a
raccoon and a
monkey?

Uh, what
happened was--

Raccoon?
Enrhis?

Beggar! Do you
realize you're
talking to a
SUPERGENTLES?

Among
the many-
colored
threads that
weave the
tapestry of
one's life...

I'll just be
over here
if anybody
needs me.

The meeting of
two people...

is a part
of the pattern
of destiny.

The demon lord,
Raenef the 4th,
has died.

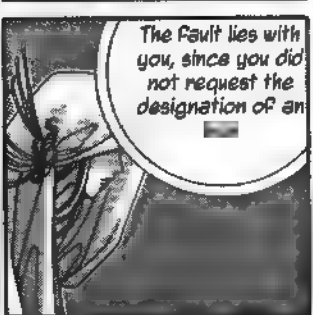

I'm sure he
himself did
not realize
how short his
life would be.

Do you
understand?

The vacant
demon lord
position is now
a matter of
concern to us.

The fault lies with
you, since you did
not request the
designation of an

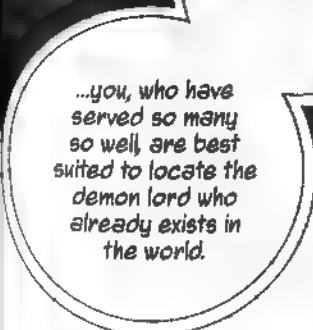

Eclipse?

You will seek
the 5th Raenef

The gods agree,
of all demons...

...you, who have
served so many
so well, are best
suited to locate the
demon lord who
already exists in
the world.

Charging me
to find a
demon lord..

...without
knowing where
to look, how old
he is, or even
whether "he" is
male or female.

Maybe I
should consult
the seer.

It's been
awhile.

Master
Eclipse.

Oh my,
what a sour
expression.

A century
since we've
seen each other and
you can't
be bothered
to smile. How
disappointing.

Stop it.

Do
your
job.

You already
know why I'm
here.

South.

That
which you
seek is to
the south.

That's all
I have,
dear.. ♡

That's it?

To the South,
then.

If all goes
well, I will
reward you.

아
하

Eclipse...

Always rushing
about...

Something
in the
South will
slow him
down...

Your destiny
awaits you,
Master
Eclipse.

Make your
choices
wisely.

Part II. ACT IV in the South

I think the Guild is up to something really big this time.

Yeah, I heard that too. But nobody knows exactly what.

Hey! You heard anything?

No, not me.

Really?

I thought since the leaders like you, they might've told you something...

Hey! You little thieves...

Me?

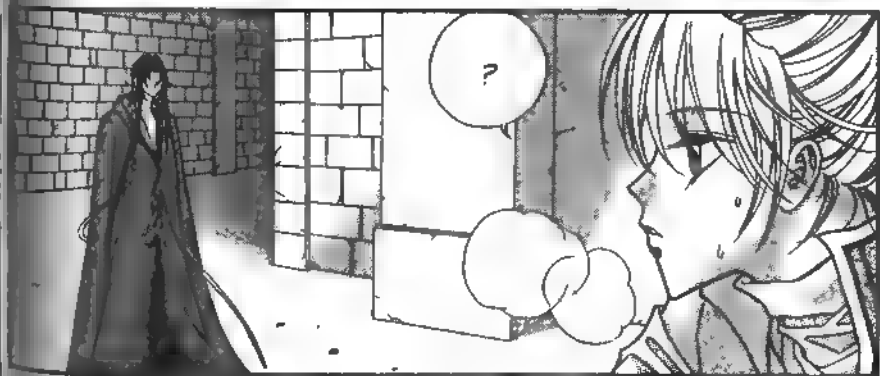

Loitering on my property!

I'm gonna...!!

Crap, it's the guards! Everybody fan out!

Black...?

I've never
seen someone
with pitch-
black hair
before.

That boy. I wonder
if he's a thief?

Hm.

I heard you outran the guards today.

Huh? Ah, yeah.

What's wrong?
What's with the long face?

Nothing.

I saw a really interesting person today, is all.

Interesting how?

He had a really white face, but his eyes and hair were black.

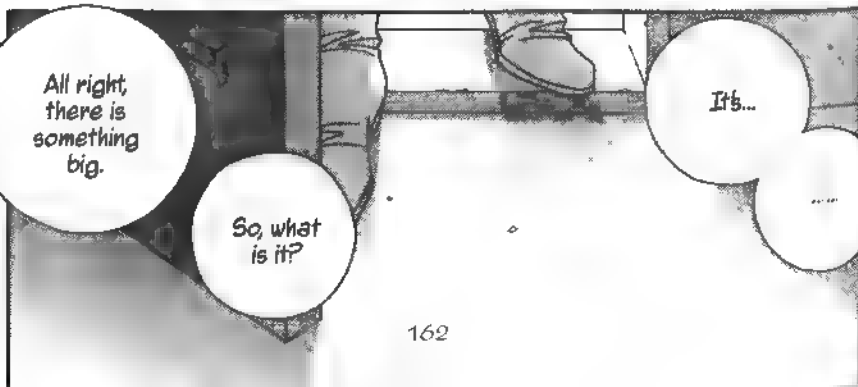

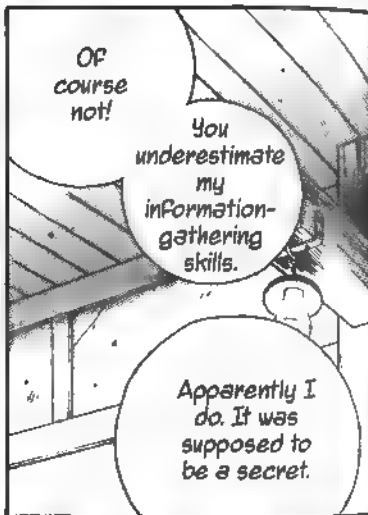

Aaaaaack!

Hm. Maybe he's from the North?

For someone like you, who's never traveled much, that would be an interesting sight.

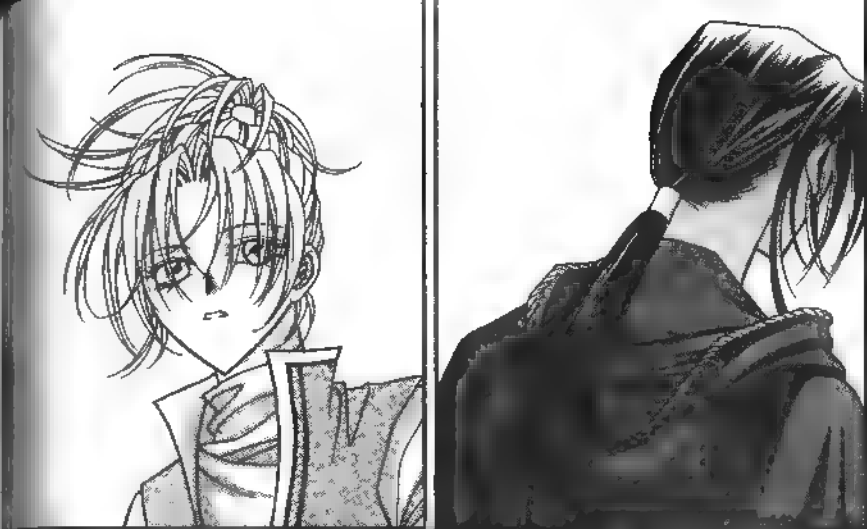

People from the North hardly ever come here.

That's him!

Wow--his
hair really
is dark at
night.

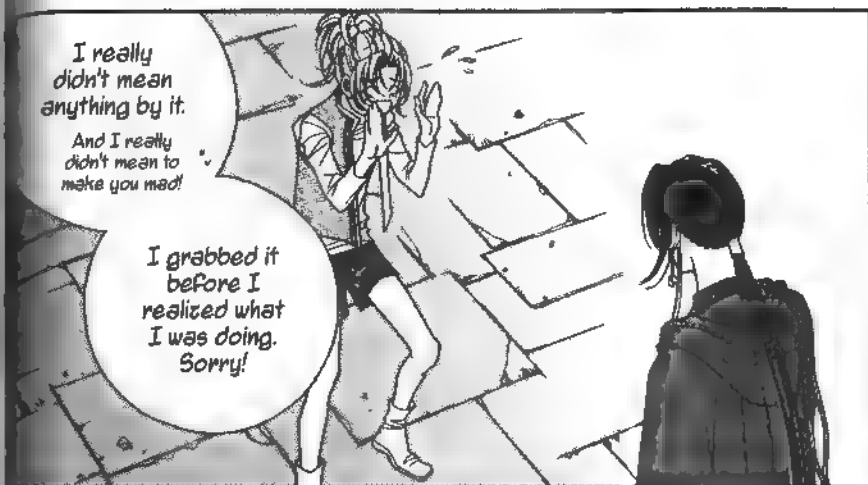

Heh heh...!

I'm sorry.

I couldn't
help
myself!

I really
didn't mean
anything by it.

And I really
didn't mean to
make you mad!

I grabbed it
before I
realized what
I was doing.
Sorry!

Uh...mister
we met earlier
today, didn't
we?

Let's change
the topic!

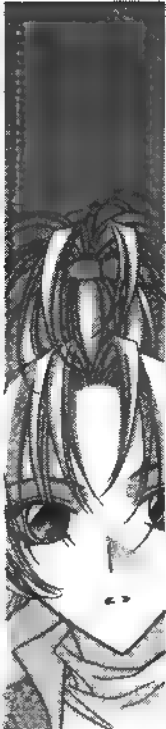

I remember
because of your
black hair I've
never seen
anything like it,
and I found it
really
interesting.

You're so
used to the
people of this
city, I can
see why it
would be
interesting.

You're different
from the people
who live here,
mister.

When you saw
me earlier
today, you
already knew
that I was a
thief right?

.....
You don't like
being a
thief?
Why should it
matter to me?

If you
don't like
being a thief
then stop.

Mister?

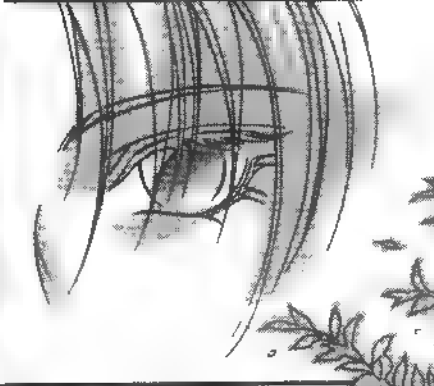

Yes, I look
different than
those who live in
the South.

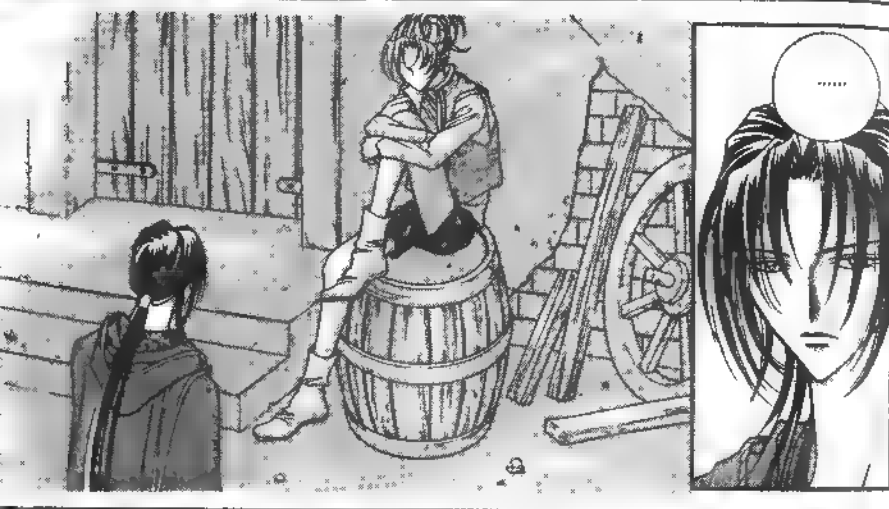

That's not
what I
mean.

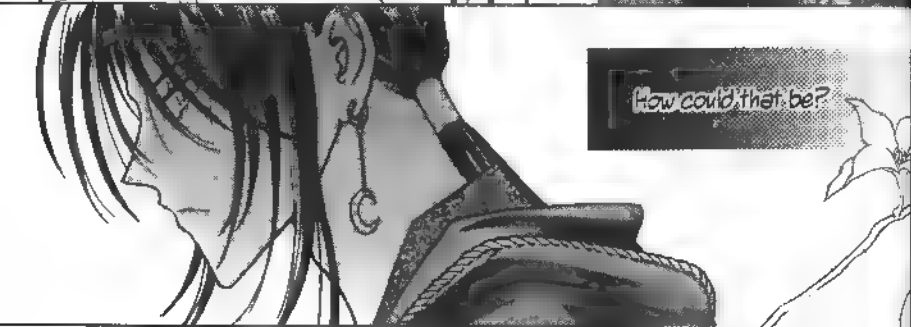

The
people of
this town
hate us,
but you
don't
seem to
mind.

I can't.

How could that be?

For a moment, I
sensed a power...

Could that child be...?

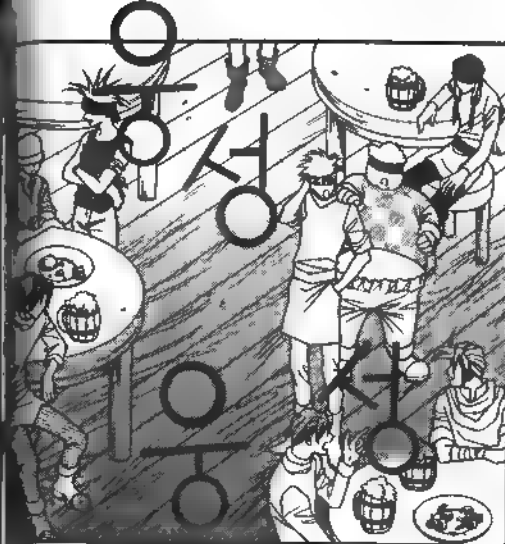

Quiet!

Listen up!

Some of
you have
heard and
some
haven't.

Today, we
kick off
our plan...

...to seize
control of
the city of
Pulhel!

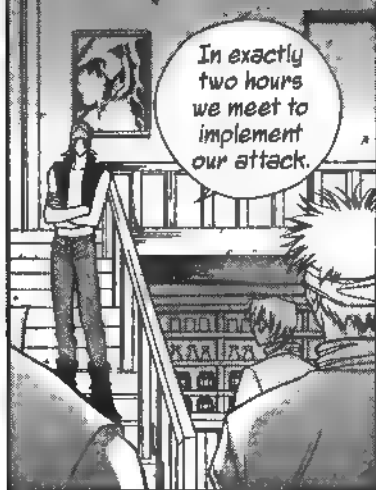

Quiet!!

I believe
we can
succeed.

This is how
it starts.

Foremen,
meet with me.
The rest of
you, prepare
for battle.

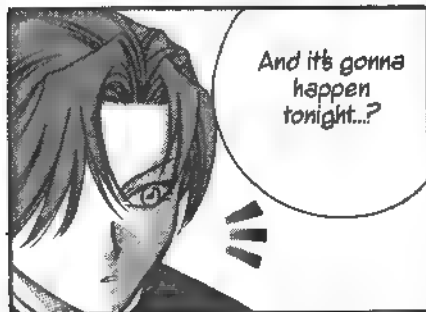

In exactly two hours we meet to implement our attack.

Ha.

I got wind of this, but I can't believe we're going through with it.

And it's gonna happen tonight...?

What's with you?

Is something wrong?

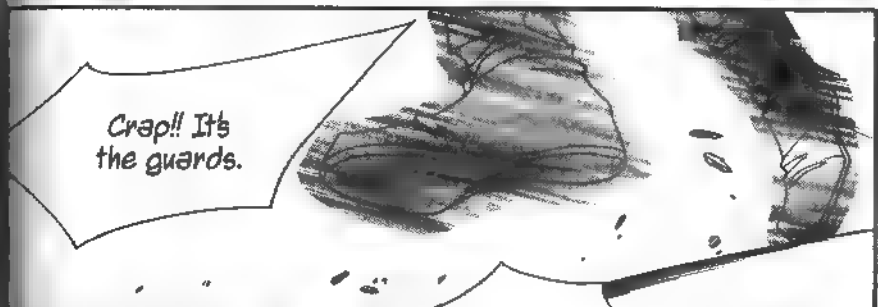

I was just thinking that we're fine with the areas that we already have. We don't need all of Pulhel.

What?! Are you crazy?!!

We could run Pulhel!

Crap!! It's the guards.

It's a raid!

Run!!

I couldn't have
imagined it.

There is a
magical power in
that child.

I wonder if
he is the next
demon lord...?

He's so young. I
can't picture it.

I should see
him once
more, just to
make sure.

We meet again.

How did you get up there?
I wanna get up there too...

I'll come down.

Usually, the demon lord selects his heir gives him his name and grooms him into the role. However should tragedy befall him before an heir has been appointed...

I was just reminded of something I heard once:

If you run across the same person three times in one day, it's not coincidence, but destiny.

In every generation, there is one among the mortals bearing the name of a demon lord.

Go and find this 5th Raene's Demon Lord.

What's your name, kid?

Ah! Sorry--
I haven't
introduced
myself yet.

The one who bears that
name is...

My name is...

...Raenef!!

...the demon
lord.

Whew. I'm
tired. I've
been running
around all
day today!

How...
how can...

It's not
possible!

I heard
they
caught
the Guild
leader.

...this
CHILD be
a demon lord!!

I wonder if
the others
are all
right...?
I'm sure
they're fine.

Yep. That's
why the
summons bell
just rang.

We should hurry
and get to the
plaza. I think
we've got most
of them!

Oh...oh no.
What am I
gonna do?

Do I know
that kid?

Hey! He's one
of the kids in
the Guild!

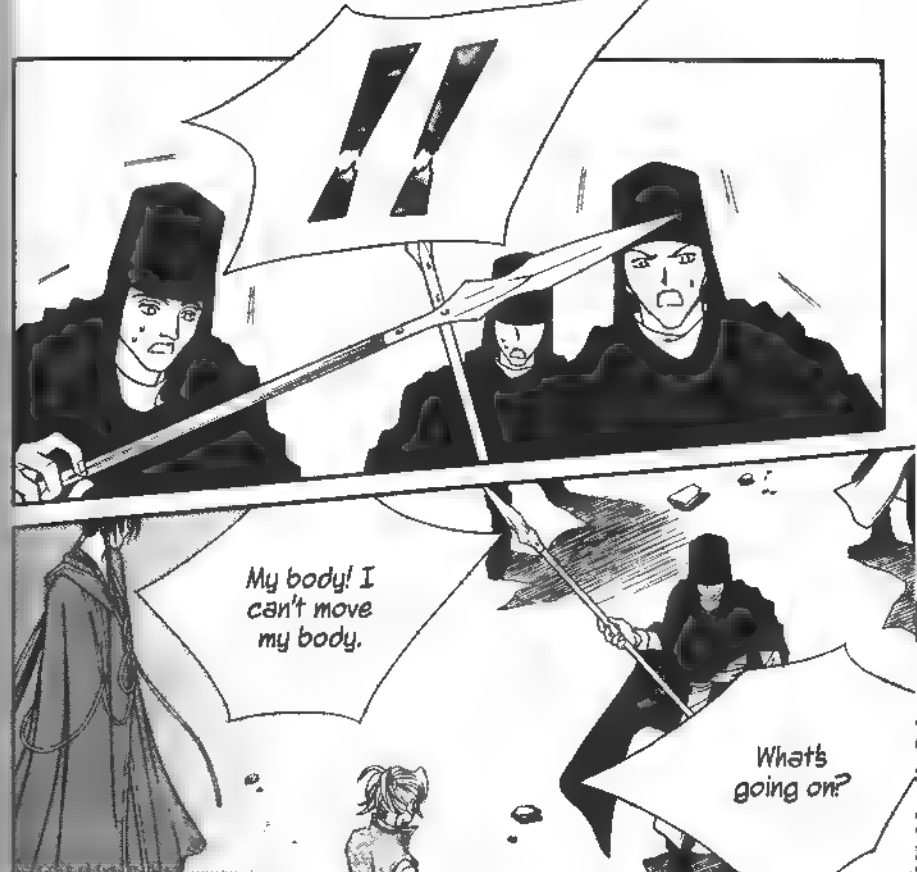

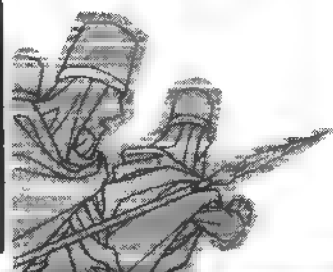

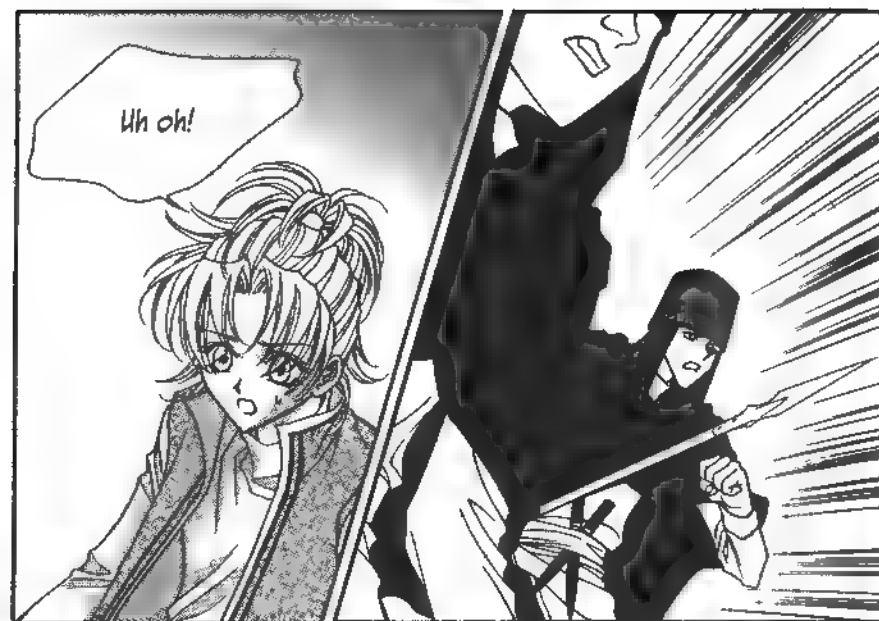

What?
That kid?!

You little
rat!!

Get him!!

Worthless
mortals...

Who-who
is that
guy?!

Where
do you
think
you're
going?

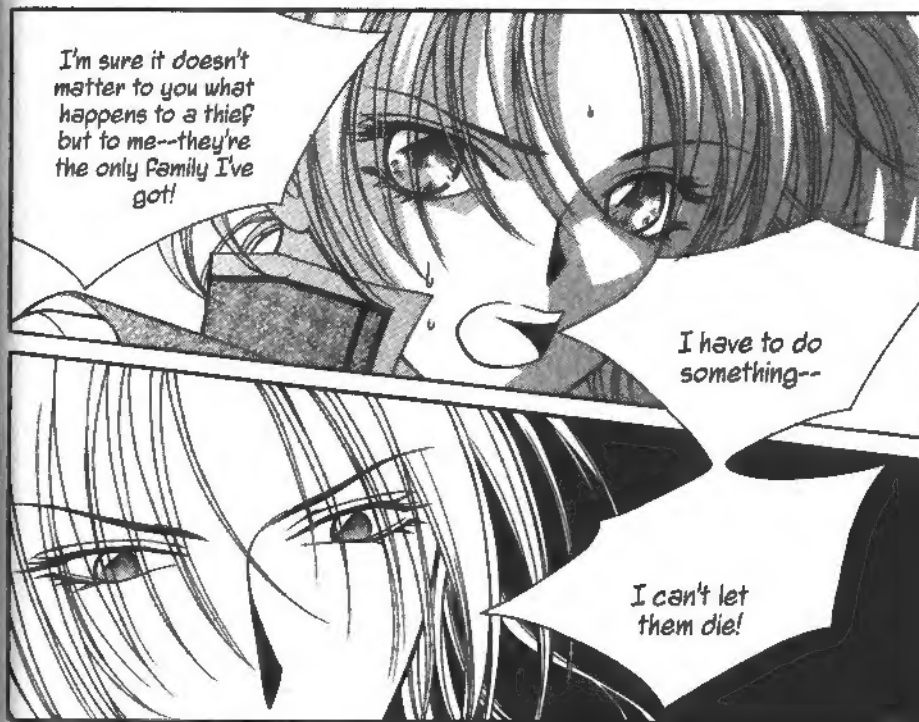

Let me go.

They said they caught
the leader. They're
probably gathered at
the plaza.

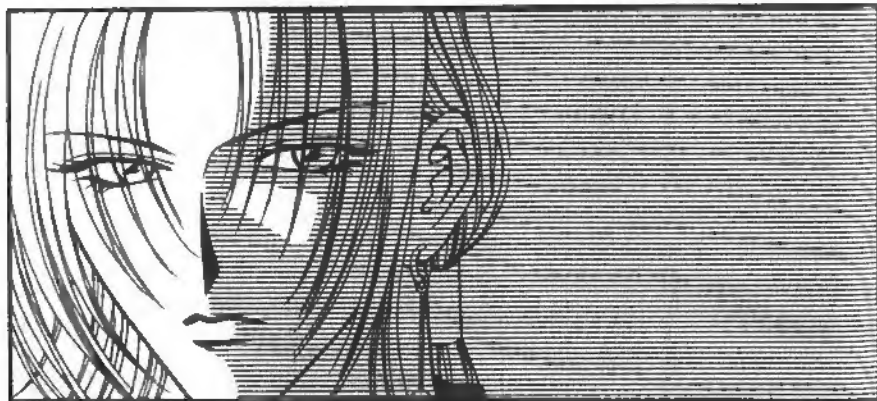

I can't just
stand here and
do nothing! Let
go of me!

I'm sure it doesn't
matter to you what
happens to a thief
but to me--they're
the only family I've
got!

I have to do
something--

I can't let
them die!
